Better Health, Better Care, Every Day.

Health New Zealand | Te Whatu Ora is committed to providing high-quality healthcare for all New Zealanders. We are focused on improving access to care, delivering better health outcomes, achieving national health targets, and ensuring the long-term sustainability of our health system.

We know that great healthcare starts with great people. That's why we are committed to building a high-performing, inclusive workplace where our people are supported to grow, contribute, and make a real difference for patients, whānau, and communities across Aotearoa.

About the role

The primary purpose of the role is to:

Assist with the effective management of the Community Health Service (CHS). The ACNM will do this by working with the Clinical Nurse Manager (CNM) to assist with managing and leading the people, systems, processes and resources that facilitate clinically safe, efficient and effective service delivery across CHS.

This position enables an effective practice environment through providing clinical and professional nursing leadership, coaching and monitoring standards of practice. The role requires the use of expert knowledge and skill in the management of patients, providing direct patient care is required. The ACNM also has ongoing delegated responsibility for aspects of the CNM role and is responsible for day to day operational decision-making and line management activities for District Nurses, Administrative staff & Health Care Assistants.

The Community Health Service is committed to the provision of excellent and appropriate care within a multidisciplinary team. The service will support openness, honesty, communication and the dynamic professional development of all team members.

The position focuses on the delivery of the DOM101 & DOM107 Service specifications. Expected management of this service is described in the Guidelines to the management of referrals to the Community Nursing Service Specialist Nursing and Primary Palliative care.

Guideline to the Management of Referrals to Home Support Services (Personal Cares and Home Help) located on the Hutt Valley Intranet.

The ACNM will assist to provide clinical and professional leadership to the team, developing the nursing service, ensuring quality standards are met and contributing to the strategic direction for the community Health Service.

The outcomes of the role are to improve the health and well-being of patient and whānau, in an environment that promotes excellence in the Community Health Service care and education, inspiring staff to reach their full potential.

The ACNM will respond to the District's changing needs, performing other tasks as required. The ACNM is expected to contribute to implementing District initiatives and nursing goals and values, while promoting Te Whatu Ora Capital Coast and Hutt Valley as a centre of excellence for nursing practice.
